

MEET THE MUSIC NOTES OF MUSIC LAND!

Chris the Crotchet Creature
Is a very clever teacher,
With lots of legs and lots of feet
He says, 'Hold me for just one beat!'
Ta, ta, ta, ta,
Ta, ta, ta, ta,
Ta, ta, ta, ta,
Ta!

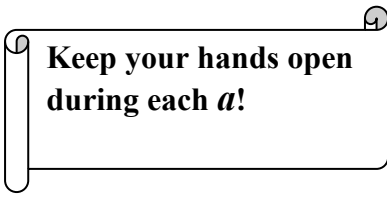

Clap on each *ta* or *te*!

Braver and Waver, the pair of Quavers,
Best of friends, you'll find we often
Stick together;
Braver first: 'I'm oh-so-bold!'
Says, 'Waver, here's my hand to hold,'
So when you're playing music
It is sometimes quite a feat,
To fit us two into a single,
Yes, a single beat!
Ta-te, ta-te, ta-te, ta-te,
Ta-te, ta-te, ta-te!

Music has a pulse, a
steady beat just like
your heart beat!
Different music notes
are held for different
numbers of
beats.

Montie Minim
White mouse, tail out,
Says to you,
'Hold me for two!'
Ta-a, ta-a,
Ta-a, ta-a,
Ta-a, ta-a,
Ta-a, ta-a!

Keep your hands open
during each *a*!

Sloth the Semibreve Snail says:

Snails are slow,
But they adore
That semibreves
Are held for four!
Ta-a-a-a, ta-a-a-a,
Ta-a-a-a, ta-a-a-a,
Ta-a-a-a, ta-a-a-a,
Ta-a-a-a, ta-a-a-a!
